Dear Sponsor:

Last year you helped Flip Force Gymnastics Booster Club stage and execute one of the largest amateur gymnastics events on the east coast. The Greensboro Gymnastics Invitational is a wonderful opportunity for young athletes from all over the United States to showcase their talent in Power Tumbling, and Men's and Women's gymnastics events. Last year, this event attracted approximately 1,400 athletes from 64 gyms in 8 states! The number of athletes doubled from the first year. It is estimated that this event brought in approximately \$1.3 million into the Greensboro and Piedmont Triad tourism and service industries.

We sincerely thank you for your help last year in supporting our event. We recognize that we would not have been successful in our endeavor without the help of community businesses. We hope that you also realized your goals through your support of this event!

We are excited about the prospect of hosting our 3<sup>rd</sup> annual competition at the Greensboro Special Events Center February 10-12, 2012. We are planning for approximately 1,600 athletes this year. We are making some important changes this year, as listed below:

- With the increase in the number of athletes participating in the event, we must add more competitive sessions on Friday. Therefore, we can no longer stage our Opening Ceremonies and Entertainment, and our Sponsor Event on Friday night. We will hold a Sponsor Luncheon on Saturday during the optional and elite competition sessions.
- Raising money for Childhood Cancer Research – Last year we raised \$3500 for Gymnasts Curing Kids Cancer! We will continue to raise money with the help of the visiting gyms throughout the year and at the competition.

We are planning an exciting event for our athletes, but we need your help to execute our plan! We are asking you to consider sponsoring this event again with an in-kind donation. Your donation can help us provide better equipment, scoring system, and an all around better experience for the athletes involved.

A complete sponsorship information packet is enclosed with this letter, so that you can review the benefits of being a Greensboro Gymnastics Invitational sponsor.

Thank you for your consideration. Someone from our organization will be contacting you soon to discuss our event. In the meantime, please let us know if you have further questions about the event, or our organizations.

Sincerely,

Susan Kusnitz
